- English
- Hindi

OBJECTIVE

To work with the organization where I can learn new skills and increase my abilities for the organizational goals as well as myself. To secure a challenging position in a reputable organization where I can utilize my skills, knowledge, and education to contribute to the company's growth while developing my career.

PROJECTS

Todo List Application

- Developed a full-stack application using Python (Django), SQLite, HTML, CSS, and Bootstrap.
- Implemented CRUD operations (Create, Read, Update, Delete) to manage tasks efficiently.
- Designed a responsive UI using Bootstrap, ensuring a seamless user experience across devices.
- Utilized SQLite for lightweight database management to store and retrieve user tasks.
- Integrated Django authentication for user login/logout functionality, ensuring secure access.
